actively discussing the possibility of resolution of the claims asserted in this action.

The filing to which a response is due was originally served on Defendant on August 31, 2018.

Plaintiff filed a Motion to Extend Time for Defendant to File Response to Plaintiff's Complaint [First Request] on September 19, 2018 [Doc. 8], which was granted by the Court on September 25, 2018 [Doc. 9].

Due to the parties actively discussing the possibility of resolution of the claims, and Plaintiff's requesting that Defendant provide certain relevant documents, Plaintiff filed a Motion to Extend Time for Defendant to File Response to Plaintiff's Complaint [Second Request] on October 4, 2018 [Doc. 10], which was granted by the Court on October 5, 2018 [Doc. 11].

Defendant's counsel provided some of the requested relevant documents to Plaintiff's counsel on October 15, 2018, but Defendant's counsel also indicated that additional relevant documents have not been received yet in order to produce to Plaintiff's counsel.

Additional time is requested for Defendant to prepare the responsive filing, so that Defendant's counsel can produce the remaining relevant documents to Plaintiff's counsel, and so that the parties can continue to attempt to reach a resolution of the claims asserted in this action.

Plaintiff requests that Defendant's responsive filing be due on November 7, 2018, or any other date the Court deems proper.

Plaintiff does not believe the requested extension of time will have a material adverse effect on the legitimate interests of any person.

Plaintiff does not expect a further extension will be requested.
